Ren "Sekai" Morita Flagship Work

[FLAGSHIP MAGNUM OPUS SPECIFICATION]

Akihabara low-poly modeler and shader tinkerer. Specializing in brutalist PS1-style cyberpunk graphics and retro-futuristic mechanical props.

[PROOF-OF-CRAFT SYSTEM VERIFICATION]

Independent analysis of signal routing, structural composition, and production engineering. Verified across the Roily Radar Network for direct studio procurement.

ROILY SEED SHIELD // DIRECT COMMS LOCKED

Direct contact channels remain shielded behind the Mutual Handshake Barrier (Zero Spam).

1-Click Instant Delist is permanently available on the live node (GDPR Art. 21 / No account required).
