```
SPEC ID       : RLY-DOS-000000000123                          PROOF-OF-CRAFT: 250 XP // pro
ATTRIBUTED TO : Klei Entertainment                         RADAR HUB     : New York, Canada
CATEGORY      : Game Dev                                        INDEXED       : 2026-11-05
NODE ENDPOINT : https://roily-app.vercel.app/?node=c0000000-0000-0000-0000-000000000123
```

OXYGEN NOT INCLUDED // THERMODYNAMIC FLUID & GAS SIMULATION ENGINE

[FLAGSHIP MAGNUM OPUS SPECIFICATION]

Technical Craft Breakdown: cellular automata 2D fluid dynamics with real-time enthalpy thermal simulation and complex multi-gas pressure mechanics

[PROOF-OF-CRAFT SYSTEM VERIFICATION]

Independent analysis of signal routing, structural composition, and production engineering. Verified across the Roily Radar Network for direct studio procurement.

ROILY SEED SHIELD // DIRECT COMMS LOCKED

Direct contact channels remain shielded behind the Mutual Handshake Barrier (Zero Spam).

1-Click Instant Delist is permanently available on the live node (GDPR Art. 21 / No account required).
